~~Dear Judge Rowland,~~

Judge Shadur

Just a quick note to say hello and to ask for your help!

Some fella came by the other nite and handed this file (as is) to me.

I have no idea how this developed, but I haven't done any contract sales work for Advanced Analytical since this time last year and most of these claims that this fella make are wrong.

1. I was never at Advanced Analytical as an independent contractor 'around January, 2013' having started sometime in late September, 2013 which makes the argument for unsolicited fax advertisements impossible.
2. I never spoke to anyone about any 'fax marketing campaign' ever.
3. I never spoke to one Krishna Chivukual about anything.
4. These dates on the fax exhibits stating 'capture created' December 2, 2014 are equally impossible because I was never there. I believe my monthly contactor fee of \$2,000.00 was last paid to me for work ending April, 2014.
5. The faxes appear to be real, but – they are time stamped 1/1/2001, 1/10/2001 and 1/11/2003 which makes this impossible to know with respect to the context or the origin of the fax which I have no recollection ever sending anyway let alone the date they were sent.

Judge this claim seems fabricated to me, so I thought I would send this letter to you.

As a father of four, three of whom are adopted, I have an outstanding personal resume.

So, could you help me figure out what to do?

Best wishes to your family!

Cheers,
